

Mastermind UK

Key question: How can I make the UK my Mastermind specialist subject?

Academic Excellence

We will learn the knowledge on the 'recall page' and we will be mastering the following skills:

- To ask geographical questions using what, where and why.
- To make comparisons of physical geography.
- To identify similarities and differences

Character

What value am I focusing on and how will I demonstrate it?

Perseverance

In our learning we will be looking at why we have been successful or unsuccessful and what I did that me so.

Outcome– How will our learning be used in real life?

We will be taking part in our very own Mastermind quiz to see how much knowledge we have gained and retained.

Learning to Learn

Our focus thinking tool is:

Bubble map

Personalisation

What will help me in this experience?

In this experience I can choose to use:

- Videos and Pictures
- Word of Mouth
- The internet
- Information Texts
- Maps and Globes

Rights Respecting

Article— 28—The right to learn.

We will learn more about this right by learning and retaining lots of facts, so that we can be masterminds!

Concept

Place

I understand that environments are places within a locality.

Recall Page

Vocabulary

United Kingdom	An island nation that is made up of England, Scotland, Wales and Northern Ireland.
Capital Cities	The city where the government is located.
Countries	The land of a person's birth, residence or citizenship.
Seas	Smaller than an ocean. Usually located where the land and ocean meet.
England	The most central and southern part of Great Britain.
Scotland	The northern most part of Great Britain.
Wales	The western most part of Great Britain.
Northern Ireland	Part of the United Kingdom that shares an open border with the Republic of Ireland.
Physical Geography	The branch of geography dealing with natural features.
Characteristics	A feature of a place that helps to identify it.

Knowledge

I will need to know:

- Which countries make up the UK
- The location of the countries of the UK.
- Which seas surround the UK.
- The names of capital cities in the UK.
- The location of capital cities.
- How to read a map.
- How to use a globe.
- How to make comparisons.
- The key features of England, Scotland, Wales and Northern Ireland.
- The key features of London, Edinburgh, Cardiff and Belfast.

Key facts

The United Kingdom is made up of four countries. These are England, Northern Ireland, Scotland and Wales.

The capital cities are: London, England. Edinburgh, Scotland. Cardiff, Wales. Belfast, Northern Ireland.

The United Kingdom is a pair of islands surrounded by sea.

England, Scotland and Wales are also known as Great Britain. This does not include Northern Ireland.
