Friday 15th September

Dear Parents/Carers,

Marble Party on Friday 22nd September 2023

As marbles are carried over from one year to the next, Kingfishers have already earned their marble party after demonstrating hard work and community.

For the party, they have chosen to have an afternoon having a water fight and playing games out on the field. The weather is due to be sunny but a comfortable 22°C!

We recommend that the children bring:

- Own clothes to change into at lunchtime for the marble party **including shoes** (suitable clothing for running around the field). If they get wet, they can change back into their dry school uniform.
- A towel
- A snack (**no nuts please**)

If you have any questions, please contact me via email on:

hknipe@inspiream.org.uk

Kind regards,

Miss Knipe
