

How can I follow the school rules?

Academic Excellence

To understand that knife and forks need to be used safely and correctly.

Aspiration

We will aspire to be the best we can be at school by using a knife and fork correctly when eating our lunches.

Outcome

To create a video on how to use a knife and fork correctly.

To have a special lunch inviting special guests.

Learning to Learn

Our focus thinking tool is:

Pictorial planning

We will be using pictures to follow the classroom rules and become successful

Concept

Purpose

Personalisation

We will be choosing the pictorial instructions that best help us become independent learners.

Representations
