Wednesday 4<sup>th</sup> October

Dear Parents and Carers,

If you are considering registering your child to sit the 11+ Kent Selection Test in September 2024, we would advise you to allow your child to sit a CAT (Cognitive Ability Test). This test does not increase your child's chance of passing the 11+, however, it will provide a good indication of your child's suitability for grammar school.

The test will be completed electronically during school time and the cost is covered by the school in the first instance. We shall then offer pupils a secondary CAT in June, which can help you to make a final decision on whether or not to register your child to sit the Kent Selection Test. The second test we would ask parents to contribute towards the cost. Once the test has been administered, we will arrange a meeting with you to discuss the result.

If you would like your child to sit the CAT test please can you fill out the form on MCAS by Thursday 19<sup>th</sup> October 2023. The tests will be sat on the week of 30<sup>th</sup> October 2023.

Many thanks

Miss H Knipe and Miss N Gumbley
