Dear Parents/Carers,

We are very excited that the KS1 Nativity is just 2 weeks away now and the children are doing a fantastic job of learning their lines and dances.

As you are aware the KS1 Nativity will be held in the school hall. Due to capacity and keeping everyone safe in the space that we have, we kindly ask that for each child performing in the Nativity a **maximum of 2 adults** can attend. Please use the Microsoft forms link below to confirm whether you would like 1 or 2 tickets to the performance so that we can arrange seating accordingly.

Secondly, again due to space, if you need to bring a buggy/pram with you please could you leave this in the school library, located through the door behind reception, and then all buggy aged children to be on adult's laps for the performance. This helps to keep the isles and fire exits free should we need to use them in an emergency.

Finally, we will have donation buckets on the doors to raise money to help with the schools cost of putting on the Nativity for hire of lights, sound, purchase of costumes and props and thank you in advance for any donation you can make on the day.

Thank you, as always, for your continued support.
