Preventing Extremism and Radicalisation Safeguarding Policy

Seal CE Primary School is committed to the protection and safety of its children

At Seal we are committed to working together as a team, persevering to achieve our highest aspirations. Compassion and respect is shown for ourselves, others and the world around us. An enriched curriculum that promotes independence is enjoyed both in the classroom and outdoors. Through the dedication of the children, parents, staff and governors, we make a difference.

Seal CE Primary School is a Level 1 Rights Respecting school. We adhere to the UN convention on the rights of the child. Article 3 states that 'The best interests of the child must be the top priority in all decisions and actions that affect the children.'

Introduction

Seal CE Primary School is committed to providing a secure environment for pupils, where children feel safe and are kept safe. All adults at Seal CE Primary recognise that safeguarding is everyone's responsibility irrespective of the role they undertake or whether their role has direct contact or responsibility for children or not.

In adhering to this policy, and the procedures therein, staff and visitors will contribute to Seal CE Primary Schools delivery of the outcomes to all children, as set out in s10 (2) of the Children Act 2004¹. This Preventing Extremism and Radicalisation Safeguarding Policy is one element within our overall school arrangements to Safeguard and Promote the Welfare of all Children in line with our statutory duties set out at s175 of the Education Act 2002.

Our school's Preventing Extremism and Radicalisation Safeguarding Policy also draws upon the guidance contained in the Kent's Child Protection Procedures" and DfE Guidance "Keeping Children Safe in Education, 2014"; and specifically DCSF Resources "Learning Together to be Safe", "Prevent: Resources Guide", "Tackling Extremism in the UK", DfE's "Teaching Approaches that help Build Resilience to Extremism among Young People" and Peter Clarke's Report of July 2014.

¹ *the physical, mental health and emotional well-being of children; the protection of children from harm and neglect; the education, training and recreation of children; the contribution made by them to society; and their social and economic well-being.*

School Ethos and Practice

When operating this policy, Seal CE Primary School uses the following accepted Governmental definition of extremism which is:

'Vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs; and/or calls for the death of members of our armed forces, whether in this country or overseas.'

There is no place for extremist views of any kind in our school, whether from internal sources – pupils, staff or governors, or external sources - school community, external agencies or individuals. Our pupils see our school as a safe place where they can explore controversial issues safely and where our teachers encourage and facilitate this – we have a duty to ensure this happens.

As a school we recognise that extremism and exposure to extremist materials and influences can lead to poor outcomes for children and so should be addressed as a safeguarding concern as set out in this policy. We also recognise that if we fail to challenge extremist views we are failing to protect our pupils.

Extremists of all persuasions aim to develop destructive relationships between different communities by promoting division, fear and mistrust of others based on ignorance or prejudice and thereby limiting the life chances of young people. Education is a powerful weapon against this; equipping young people with the knowledge, skills and critical thinking, to challenge and debate in an informed way.

Therefore, at Seal CE Primary we will provide a broad and balanced curriculum, delivered by skilled professionals, so that our pupils are enriched, understand and become tolerant of difference and diversity and also to ensure that they thrive, feel valued and not marginalized.

Furthermore at Seal CE Primary we are aware that young people can be exposed to extremist influences or prejudiced views from an early age which emanate from a variety of sources and media, including via the internet, and at times pupils may themselves reflect or display views that may be discriminatory, prejudiced or extremist, including using derogatory language.

Any prejudice, discrimination or extremist views, including derogatory language, displayed by pupils or staff will always be challenged and where appropriate dealt with in line with our Behaviour Policy for pupils and our Code of Conduct for all adults. Where misconduct by a teacher is proven, the matter will be referred to Kent County Council's Safeguarding team for their consideration as to whether to a Prohibition Order is warranted.

As part of wider safeguarding responsibilities school staff will be alert to:

- Disclosures by pupils of their exposure to the extremist actions, views or materials of others outside of school, such as in their homes or community groups, especially where pupils have not actively sought these out.
- Graffiti symbols, writing or art work promoting extremist messages or images
- Pupils accessing extremist material online, including through social networking sites
- Parental reports of changes in behaviour, friendship or actions and requests for assistance
- Partner schools, local authority services, and police reports of issues affecting pupils in other schools or settings
- Pupils voicing opinions drawn from extremist ideologies and narratives
- Use of extremist or 'hate' terms to exclude others or incite violence
- Intolerance of difference, whether secular or religious or, in line with our equalities policy, views based on, but not exclusive to, gender, disability, homophobia, race, colour or culture
- Attempts to impose extremist views or practices on others
- Anti-Western or Anti-British views

Our school will closely follow any locally agreed procedure as set out by the Local Authority the Safeguarding Children Board's agreed processes and criteria for safeguarding individuals vulnerable to extremism and radicalisation.

Teaching Approaches

We will all strive to eradicate the myths and assumptions that can lead to some young people becoming alienated and disempowered, especially where the narrow approaches children may experience elsewhere may make it harder for them to challenge or question these radical influences. In our school this will be achieved by good teaching, primarily via PSHE and Right Respecting lessons and assemblies; but also by adopting the methods outlined in the Government's guidance 'Teaching approaches that help build resilience to extremism among young people' DfE 2011.

We will ensure that all of our teaching approaches help our pupils build resilience to extremism and give pupils a positive sense of identity through the development of critical thinking skills. We will ensure that all of our staff are equipped to recognise extremism and are skilled and confident enough to challenge it.

We will be flexible enough to adapt our teaching approaches, as appropriate, so as to address specific issues so as to become even more relevant to the current issues of extremism and radicalisation. In doing so we will apply the 'key ingredients' for success as set out in the Table at Page 15 of that document, see Appendix A, and we will apply the methodologies set out in that document following the three broad categories of:

- Making a connection with young people through good [teaching] design and a pupil centered approach.

- Facilitating a 'safe space' for dialogue, and
- Equipping our pupils with the appropriate skills, knowledge, understanding and awareness for resilience.

Therefore this approach will be embedded within the ethos of our school so that pupils know and understand what safe and acceptable behaviour is in the context of extremism and radicalisation. This will work in conjunction with our schools approach to the spiritual, moral, social and cultural development of pupils as defined in OfSTED's School Inspection Handbook and will include the sound use of assemblies to help further promote this rounded development of our pupils.

Our goal is to build mutual respect and understanding and to promote the use of dialogue not violence as a form of conflict resolution. We will achieve this by using a curriculum that includes:

- Citizenship programmes
- Open discussion and debate
- Work on anti-violence and a restorative approach addressed throughout curriculum
- Focussed educational programmes

We will also work with local partners, families and communities in our efforts to ensure our school understands and embraces our local context and values in challenging extremist views and to assist in the broadening of our pupil's experiences and horizons. We will help support pupils who may be vulnerable to such influences as part of our wider safeguarding responsibilities and where we believe a pupil is being directly affected by extremist materials or influences we will ensure that that pupil is offered support from a school counselor or therapist. Additionally in such instances our school will seek external support from the Local Authority and/or local partnership structures working to prevent extremism.

At Seal CE Primary we will promote the values of democracy, the rule of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs. We will teach and encourage pupils to respect one another and to respect and tolerate difference, especially those of a different faith or no faith. It is indeed our most fundamental responsibility to keep our pupils safe and prepare them for life in modern multi-cultural Britain and globally.

Use of External Agencies and Speakers

At Seal CE Primary we encourage the use of external agencies or speakers to enrich the experiences of our pupils, however we will positively vet those external agencies, individuals or speakers who we engage to provide such learning opportunities or experiences for our pupils. Any individuals invited to speak to the children will only do so after checks have been made in line with KCC policy.

Such vetting is to ensure that we do not unwittingly use agencies that contradict each other with their messages or that are inconsistent with, or are in compete opposition to, the school's values and ethos. We must be aware that in some instances the work of external agencies may not directly be connected with the rest of the school curriculum so we need to ensure that this work is of benefit to pupils.

Our school will assess the suitability and effectiveness of input from external agencies or individuals to ensure that:

- Any messages communicated to pupils are consistent with the ethos of the school and do not marginalise any communities, groups or individuals
- Any messages do not seek to glorify criminal activity or violent extremism or seek to radicalise pupils through extreme or narrow views of faith, religion or culture or other ideologies
- Activities are properly embedded in the curriculum and clearly mapped to schemes of work to avoid contradictory messages or duplication.
- Activities are matched to the needs of pupils
- Activities are carefully evaluated by schools to ensure that they are effective

We recognise, however, that the ethos of our school is to encourage pupils to understand opposing views and ideologies, appropriate to their age, understanding and abilities, and to be able to actively engage with them in informed debate, and we may use external agencies or speakers to facilitate and support this.

Therefore by delivering a broad and balanced curriculum, augmented by the use of external sources where appropriate, we will strive to ensure our pupils recognise risk and build resilience to manage any such risk themselves where appropriate to their age and ability but also to help pupils develop the critical thinking skills needed to engage in informed debate.

Whistle Blowing

Where there are concerns of extremism or radicalisation Pupils and Staff will be encouraged to make use of our internal systems to Whistle Blow or raise any issue in confidence.

Child Protection

Please refer to our Child Protection Policy for the full procedural framework on our Child Protection duties.

Staff at Seal CE Primary will be alert to the fact that whilst Extremism and Radicalisation is broadly a safeguarding issue there may be some instances where a child or children may be at direct risk of harm or neglect. For example; this could be due to a child displaying risky behaviours in terms of the activities they are involved in or the groups they are associated with or staff may be aware of information about a child's family that may equally place a child at risk of harm. (These examples are for illustration and are not definitive or exhaustive)

Therefore all adults working in Seal CE Primary School (including visiting staff, volunteers' contractors, and students on placement) are required to report instances where they believe a child may be at risk of harm or neglect to the Designated Safeguarding Officer, Liz Mitchell or either of the Deputy Safeguarding officers, Lorraine Butler or Paula Dewey.

At Seal CE Primary School, our Child Protection reporting arrangements are set out fully in our Child Protection Policy and are as follows;

Procedures

There is a named person in our school who is the Child Protection Co-ordinator. This is the Headteacher Liz Mitchell. All information and action concerning Child Protection is also discussed with the deputy Child Protection Officers, Lorraine Butler and Paula Dewey.

If any adult suspects that a child is a cause for concern then it is their duty to record these concerns on the [Blue Cause for Concern Form](#) (kept in all classes and in the staffroom, with guidance). This includes any disclosures from a child as well as concerns raised.

Concerns can take a variety of forms: sexual, emotional, physical, and neglect (being safe outside of school, clean, fed and being looked after). Concerns are defined as the adult believing something to be wrong, based on an observation.

Any action that the named person takes when dealing with an issue of Child Protection must be in line with the procedures outlined in the school's Child Protection guidelines.

The school's named co-ordinator works closely with the Social Services department and KCC's Child Protection and Safeguarding Team when investigating any allegations of abuse. All parties involved handle such investigations in a sensitive manner, but the interest of the child is of paramount importance.

If a child alleges abuse, the school usually makes a referral without communicating with parents first. In some circumstances we inform parents first. If a child protection referral is made, a case conference is held within eight working days of the decision. The case conference offers the opportunity to share information and formulate a plan of action. Staff are expected to attend and participate in all case conferences and meetings held under the Local Education Authority guidelines.

We regard all information relating to individual Child Protection issues as confidential, and we treat this accordingly. All paperwork regarding Child Protection is kept in the Child Protection Folder in a secure cupboard in the Headteacher's Office. Information is only shared on a purely need to know basis, with appropriate people. We inform the child at all stages of who is involved, and what information we have given them.

We require all staff employed in the school and volunteers and visitors to the school to have their application vetted through the Disclosure & Barring Service (DBS) (formerly the Criminal Records Bureau or CRB). The DBS check will be conducted every three years as part of our DBS cycle.

If any physical intervention has been used to restrain children, by any member of Seal CE Primary Staff then the Child Protection Officer should be informed immediately. The incident will be recorded in the Child Protection File.

All the school staff receive regular training to raise their awareness of child protection and their knowledge of agreed local child protection procedures. Volunteers and visitors school receive Child Protection guidance when inducted and a précis of our policy and procedure is part of the welcome pack. We ask all volunteers and visitors to sign an acknowledgement sheet to show they have read and understood our procedures for ensuring the protection and safety of our children.

Role of the Designated Safeguarding Lead

The Designated Safeguarding Officer is: Liz Mitchell

The Deputy Designated Safeguarding Officers are: Lorraine Butler and Paula Dewey

The Designated Safeguarding Lead works in line with the responsibilities as set out at Annex B of the DfE Guidance 'Keeping Children Safe in Education'.

The Designated Safeguarding Officer is the focus person and local 'expert' for school staff, and others, who may have concerns about an individual child's safety or well-being and is the first point of contact for external agencies

Training

Whole school in-service training on Safeguarding and Child Protection will be organised for staff and governors at least every three years and will comply with the prevailing arrangements agreed by the Local Authority and Lambeth's Safeguarding Children Board and will, in part, include training on extremism and radicalisation and its safeguarding implications.

The Designated Safeguarding Officer will attend KCC training courses as necessary and the appropriate inter-agency training organised by the KCC Safeguarding Children Team at least every two years, again this will include training on extremism and radicalisation and its safeguarding implications.

Recruitment

The arrangements for recruiting all staff, permanent and volunteers, to our school will follow KCC's guidance for safer recruitment best practice in education settings, including, but not limited to, ensuring that DBS checks are always made at the appropriate level, that references are always received and checked and that we complete and maintain a single central record of such vetting checks.

We will apply safer recruitment best practice principles and sound employment practice in general and in doing so will deny opportunities for inappropriate recruitment or advancement.

We will be alert to the possibility that persons may seek to gain positions within our school so as to unduly influence our schools character and ethos. We are aware that such persons seek to limit the opportunities for our pupils thereby rendering them vulnerable to extremist views and radicalisation as a consequence.

Therefore, by adhering to safer recruitment best practice techniques and by ensuring that there is an ongoing culture of vigilance within our school and staff team we will minimise the opportunities for extremist views to prevail.

Role of Governing Body

The Governing Body of our School will undertake appropriate training to ensure that they are clear about their role and the parameters of their responsibilities as Governors, including their statutory safeguarding duties.

The Governing Body of our school will support the ethos and values of our school and will support the school in tackling extremism and radicalisation.

In line with the provisions set out in the DfE guidance 'Keeping Children Safe in Education, 2014' the governing body will challenge the school's senior management team on the delivery of this policy and monitor its effectiveness.

Governors will review this policy regularly yearly and may amend and adopt it outside of this timeframe in accordance with any new legislation or guidance or in response to any quality assurance recommendations pertaining to the delivery of this policy and the overall safeguarding arrangements made.

Policy Adoption, Monitoring and Review

This policy was considered and adopted by the Governing body in line with their overall duty to safeguard and promote the welfare of children as set out in the DfE guidance 'Keeping Children Safe in Education'

At Seal CE Primary, the Headteacher will actively evaluate the effectiveness of this policy by monitoring the staff group's understanding and application of the procedures within this policy as their overall duty to safeguard children.

Monitoring and review

This information report is reviewed annually by the governing body.
