

What shall I see?  
What shall I see?

---

That's what I see,  
That's what I see.

What shall I see?  
What shall I see?

---

That's what I see,  
That's what I see.

What shall I see?  
What shall I see?

---

That's what I see,  
That's what I see.

What shall I see?  
What shall I see?

---

That's what I see,  
That's what I see.

What shall I see?  
What shall I see?

---

That's what I see,  
That's what I see.

What shall I see?  
What shall I see?

---

That's what I see,  
That's what I see.
