

Dear Parents and Carers

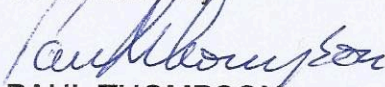

SEAL CE PRIMARY/FOUR ELMS PRIMARY FEDERATION

I am writing to tell you that following the Federation Consultation Process, the Governing Body has unanimously decided to proceed to Federation. This was also unanimously agreed by the Four Elms Governing Body.

The new Governing Body will be formed on July 19th, and there will be a Parent Governor election before then.

This is a major development for Seal Primary, and Mrs Mitchell, Mrs Butler and the staff are fully supportive of federating. We already have 9 months experience of supporting Four Elms, and I'm sure that formalising this situation will enable closer cooperation between the two schools will improve outcomes for children, provide opportunities for staff, and benefit both communities.

Yours faithfully,

PAUL THOMPSON
CHAIR OF GOVERNORS
