Dear Parent/Carer

Spellodrome

Following the success of Mathletics, the school is about to trial an online literacy learning resource called Spellodrome.

Spellodrome is a digital resource that helps children to develop their spelling, writing and communication skills, to support them in the “Spelling, Punctuation & Grammar” elements of the English curriculum.

Spellodrome contains curriculum-aligned spelling word lists for Key Stage 1 and Key Stage 2. As well as word lists, that can be customised to teachers’ specific needs; fun and engaging pupil activities, which can be accessed in school and from home based on those word lists; printable worksheets focusing on spelling practice, grammar and punctuation and tools to help children develop their writing skills.

To give every child in school access, Spellodrome will cost approximately £1,200 for the year. Could you, your company or your employer help towards or sponsor this cost?

If you are in a position to assist, please contact the school office: office@seal.kent.sch.uk.

Many thanks for your continued support.
