

Before I start my work, I make sure I have all my equipment.

Today, I am doing my school work.

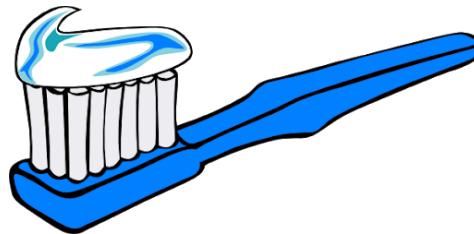

Tomorrow, my teachers will set me more work.

Finally, I go to bed.

Next, I brush my teeth.

In the evening, it is time to relax.

First, I have my dinner.

Yesterday, I watched Frozen 2 with my family.

In the afternoon, I complete the weekly challenge!

In the morning, I do reading, mental maths, maths and spelling.
