

## Probing questions to show my understanding of time

1. Convince me that 1 hour is not 100 minutes

2. Convince me that quarter past 3 is the same is 3:15

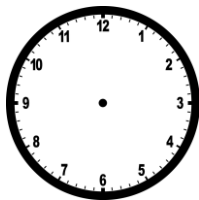

3. What is the same and what is different?

Quarter to four,

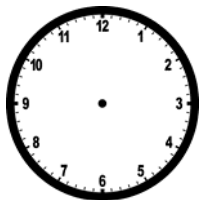

15 minutes past 4,

Quarter past 4

4. Show me 2 times that are an hour apart on the clock.

5. How would you show 5 past 6 on this clock?

6. Show me how you would order these time intervals

15 minutes

1 hour

1 day

2 minutes

100 minutes
