#### Wednesday 10<sup>th</sup> June Timetab<u>le</u>

<u>Timetable</u>		
9:00-9:30 am	<u>P.E</u>	
	There are lots of different options, here are a few you could choose from:	
	Joe Wicks - <a href="https://www.thebodycoach.com/blog/pe-with-joe-1254.html">https://www.thebodycoach.com/blog/pe-with-joe-1254.html</a>	
	Cosmic yoga - https://www.youtube.com/user/CosmicKidsYoga	
	Just dance - <a href="https://www.youtube.com/watch?v=oe_HDfdmnaM">https://www.youtube.com/watch?v=oe_HDfdmnaM</a> You could use this time to take a walk/bike ride as your daily exercise	
9:30 – 9:45 am	Mental Arithmetic	
	Practise the division facts for your 10 x table using the flash cards you have made.	
9:45 – 10am	Spelling	
	This week the words that you need to spell are	
	words with the suffix 'er'. It is up to you how you	
	choose to learn these spellings. You may want to	
	write parts of the word in different colours, you	
	could write the words in lots of different ways or	
	you could create your own rhyme to remember	
	them. It is completely up to you to choose a	
	method which works for you. You will be practising	
	the same words all week and then on Friday there	
	will be a spelling test.	
	Here are your words:	
	Nicer	
	Angrier	
	Earlier	
	Later	
	Wiser	

# Wednesday 10<sup>th</sup> June <u>Timetable</u>

	Higher
	Colder
	Smaller
	Prouder
10 -10:30	Breaktime – have a healthy snack and a play
10:30-11:00	Reading –
600	RWI Phonics
	Oxford Owl have made available for parents all the ebooks
	linked to each RWI level. This means we no longer need to
	upload the books to the webpage. Instead, please go to the
	webpage below. If you go onto 'ebooks' then you will need
	to register (this is free of charge) and then you will be able
	to access all the ebooks and choose the correct banded
	level for your child. Please note that the RWI phonics
	scheme is based on lots of repetition. Therefore, we usually
	read the same book about 3 or 4 times before moving onto
	a new book. For some children they may need to read it
	more than this to ensure they are completely fluent in
	reading the book (no sounding out).
	https://home.oxfordowl.co.uk/reading/reading-schemes-
	oxford-levels/read-write-inc-phonics-guide/
	A general guide is:
	1 <sup>st</sup> read – decoding all the words – sound out as much as you need to.
	2 <sup>nd</sup> read – read for fluency (try to read with more fluency
	and expression).
	3 <sup>rd</sup> read – read with fluency, expression and
	comprehension. Try answering the comprehension
	questions at the back.
	This website also provides lots of other information for
	parents about phonics. It has other resources on here too
	should you wish to explore!

# Wednesday 10<sup>th</sup> June <u>Timetable</u>

	<ul> <li>For every phonics session, please continue to watch the speed sounds lesson on the Ruth Miskin Youtube channel. Then read a book from the webpage detailed above.</li> </ul>
	Timings for the speeds sounds lessons are:
	Set 1 lesson is at 9:30am or 12:30pm (red, green & purple groups)
	Set 2 lesson is at 10:00am or 1:00pm (pink, orange and yellow groups)
	Set 3 lesson is at 10:30am or 1:30pm (blue and grey groups)
	If you are unsure which group your child should be in, please contact your child's class teacher.
	Guided reading – for those of you in guided reading, please complete the guided reading task on the webpage
11 – 11:15	and a live
11 – 11:15	2 <sup>nd</sup> Breaktime
11-11:15	Or
11-11:15	Or Do a chosen mindfulness activity e.g. drawing,
11-11:15	Or
11-11:15	Or  Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to
11:15 - 12:15	Or  Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to
	Or  Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to music and deep breathing etc.
	Or Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to music and deep breathing etc.  Maths  L.O. To identify the properties of 3D shapes (understanding)
	Or Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to music and deep breathing etc.  Maths  L.O. To identify the properties of 3D shapes (understanding) SC1: I can identify the number of edges.
	Or Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to music and deep breathing etc.  Maths  L.O. To identify the properties of 3D shapes (understanding)
	Or Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to music and deep breathing etc.  Maths  L.O. To identify the properties of 3D shapes (understanding)  SC1: I can identify the number of edges. SC2: I can identify the number of vertices. SC3: I can identify whether it rolls or stacks.
	Or Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to music and deep breathing etc.  Maths  L.O. To identify the properties of 3D shapes (understanding)  SC1: I can identify the number of edges. SC2: I can identify the number of vertices.
	Or Do a chosen mindfulness activity e.g. drawing, going for a walk (if you can), dancing, listening to music and deep breathing etc.  Maths  L.O. To identify the properties of 3D shapes (understanding) SC1: I can identify the number of edges. SC2: I can identify the number of vertices. SC3: I can identify whether it rolls or stacks.  Now you have explored faces, edges and vertices, it is time

#### Wednesday 10<sup>th</sup> June Timetable

If you want to try something more challenging – try challenge 2 instead.

If you want to deepen your understanding of 3D shapes, have a go at the lesson below.

L.O. To explain what a prism is (understanding)

SC1: I can define prism.

SC2: I can give examples of types of prisms. SC3: I can explain their properties.

Read through the Powerpoint on the class page.
Write a list of the different prisms that were shown on the PowerPoint. Can you research a few more different types?
Write a list of each of their properties,

For example: triangular based prism

Faces: 5 (2 are triangles and 3 are rectangles)

Vertices: 6 Edges: 9

12:15 – 1:15pm

Lunchtime and playtime

Challenge

1:15 -2:45pm

### Part 1

To know how to create a review

- 1. I can describe what a toy/game can do
- 2. I can say what I don't like about the toy/game
- 3. I can say what I like about the toy/game

As we will be reviewing the games/ toys that we will choose to play this week, I would like you to practise writing a review for playing with paper aeroplanes.

#### Wednesday 10<sup>th</sup> June Timetable

First of all, make your paper aeroplane. You could use the following videos to help you make the best paper aeroplane (I know this means using technology so feel free to try without looking at the videos!)

https://www.youtube.com/watch?v=r9ReNKZiZNc https://www.youtube.com/watch?v=54noZe-0B1c https://www.youtube.com/watch?v=SxmYcZlrAs0

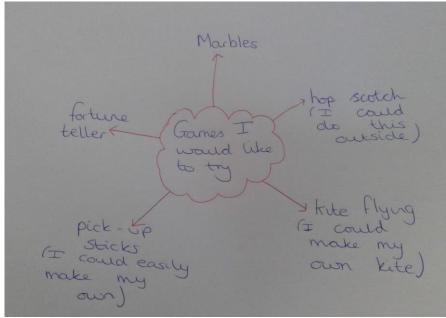

Once you have made your paper aeroplane (you can decorate it too), have a go at playing with it.

Once the fun is over, look at the toy review template attached to the webpage and fill it in. You will need to draw a picture of the paper aeroplane, the features of it (including what you think is good about it) and what you would improve. If you don't have a printer, don't worry, you can just write it out in your books. Remember, the review isn't about your paper aeroplane specifically, you are rating how good a game it is to play. Comment on making/playing with paper aeroplanes generally.

Look back at the success criteria. Did you manage to meet it?

#### Part 2

Now we know what sort of game/toy we can review and how to review it, you can now choose games/toys that you are going to make/ play with and review. Look at your research from this week about games from the past. Which of these games could we play now? Are there any games that you could make or play outside? Decide on 5 ideas of games that you would like to try to play. Here are my ideas:

Please note, you do not need to play/make the games today, we will be doing that tomorrow. You just need to decide which ideas you are going to try.

# Wednesday 10<sup>th</sup> June Timetable

<u>Innetable</u>		
Story Time 2:45 – 3pm	Story time Room on the Broom	
	https://www.youtube.com/watch?v=eCWAyQgK5tw
