It is up to you how you choose to learn these spellings. You may want to write parts of the word in different colours, you could write the words in lots of different ways or you could create your own rhyme to remember them. It is completely up to you to choose a method which works for you. You will be practising the same words all week and then on Friday there will be a spelling test.</p> <ol style="list-style-type: none"> 1. Ladies 2. Aunties 3. Pennies 4. Hobbies 5. Enemies 6. Reading **RWI Phonics**

Oxford Owl have made available for parents all the ebooks linked to each RWI level. This means we no longer need to upload the books to the webpage. Instead, please go to the webpage below. If you go onto 'ebooks' then you will need to register (this is free of charge) and then you will be able to access all the ebooks and choose the correct banded level for your child. Please note that the RWI phonics scheme is based on lots of repetition. Therefore, we usually read the same book about 3 or 4 times before moving onto a new book. For some children they may need to read it more than this to ensure they are completely fluent in reading the book (no sounding out).

<https://home.oxfordowl.co.uk/reading/reading-schemes-oxford-levels/read-write-inc-phonics-guide/>

A general guide is:

1st read – decoding all the words – sound out as much as you need to.

2nd read – read for fluency (try to read with more fluency and expression).

3rd read – read with fluency, expression and comprehension. Try answering the comprehension questions at the back.

This website also provides lots of other information for parents about phonics. It has other resources on here too should you wish to explore!

- For every phonics session, please continue to watch the speed sounds lesson on the Ruth Miskin Youtube channel. Then read a book from the webpage detailed above.

Timings for the speeds sounds lessons are:

Set 1 lesson is at 9:30am or 12:30pm (red, green & purple groups)

Set 2 lesson is at 10:00am or 1:00pm (pink, orange and yellow groups)

Set 3 lesson is at 10:30am or 1:30pm (blue and grey groups)

If you are unsure which group your child should be in, please contact your child's class teacher.
