We would like you to build a car...

You could use construction toys
How could reclaimed materials
make a car
Maybe you could use resources
from outside

- ❖ Don't forget to plan your car before you build it
- ❖ Please can you get an adult to take a photo of you with your car and upload to Tapestry.

(If you can not go on the internet please only take a photo of the car.)

CBeebies are having a Space Theme Week

Maddie will be hosting some programmes through the week 16:50 each day

Monday- Rockets

Tuesday- The Solar System

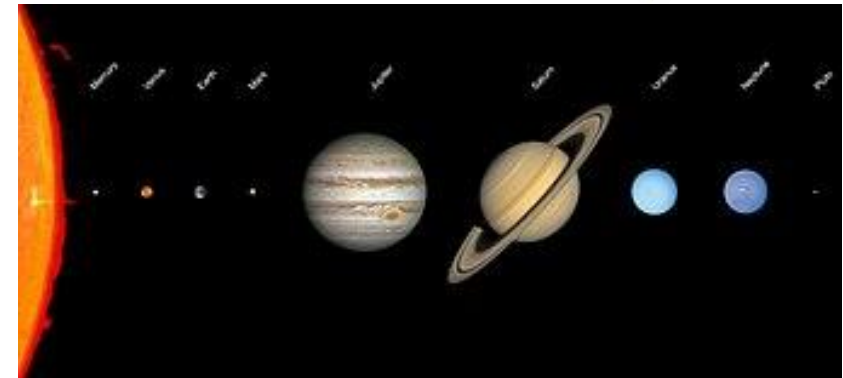

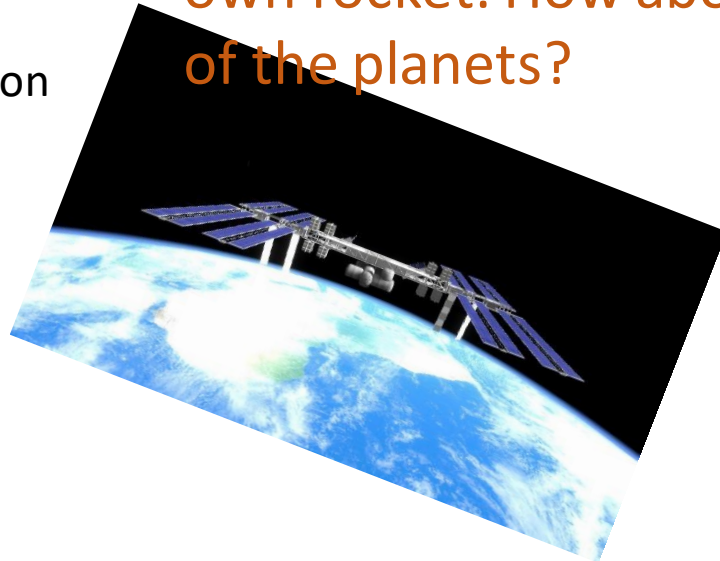

Wednesday- International Space Station

Thursday- Space Rockets

Friday- Astronaut Training

(these are also available afterwards on iPlayer)

Maybe you can use this to inspire some Space roleplay or building your own rocket. How about making some of the planets?
