

Thursday 10<sup>th</sup> February

LO: To select the best method to present my work

**Show Applying:**

I can show my learning about Chinese new year.

**Grow Creating and justifying**

I can select the best method to present my work.

I can justify why I have chosen this method.

I can present my work using my own choice of method.

**First watch Miss Coleman's video**

With the support of an adult explore the tradition that you researched yesterday and decide how you will present your work.

Will you ....

Make Chinese food and create a cooking video?

Create a poster what you found out?

Create your own Chinese new year festival?

Create a video about what you have learnt?

Create a song ?

Create a painting ?

Create a Chinese new year dance tutorial?

Once you have decided start working on your presentation of your research. This will be shared on the school website. The children will also be given the opportunity to share what they have learnt so far about Chinese new year during Friday's zoom meeting.
