

Tuesday 23rd February

LO: To understand the value of money.

Know :Remembering

I can recall the value of each coin (1p=1,2p=2)

Show :Applying/Analysing

I can show the value of each coin .

I can show my understanding of the value of coins by matching these with the correct price tags .

I can experiment using a variety of coins to make different values .

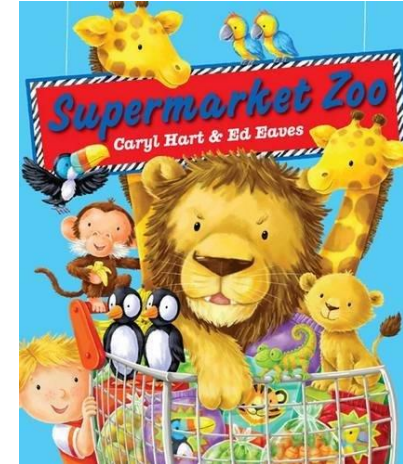

Watch Miss Coleman's video.

Activity:

Whilst watching the video we will be showing the value of the coins by placing pennies or small objects (pasta) into envelopes or containers with lids.

Following the video you will use your coins to buy the pets from the story Supermarket zoo. See attached powerpoint for prices.
