Hello Minister for Magic,

I am writing because I do not wish for the greatest of Ministers to miss out on the opportunity to purchase a mysterious, wonderful, life changing product!

The secret detector orb is a fabulous investment that is 99% effective. This is the leading design of the secret detector spell. How could you not want to try it?

If you would like to buy some of this fantastic product, please reply with your order to the above address.

Love from,

Mr. G Weasley
