

SUPERMARKET ZOO

FRIDAY – 26TH FEB 2021

Today we would like you to reflect on the use of lists.

How do think lists can help you with your learning?

How can lists help you in everyday life?

What is a list?

What is an adjective?

Friday 26th February
LO: To reflect on my learning

Know: Understanding

I can explain and show the value of each coin.

I can apply my learning in a real life context.

I can discuss how my learning will help me.

Activity:

Reflect on your learning this week, what is money is and how have you been applying your learning about money .

Can you think about when or where you would use money in your everyday life?
