ACTIVITY

Using the pricing sheet, can you choose an animal and select the correct coin/coins. Can you find different ways to make the amounts?

Which is the most efficient way of making the amount?

Key Questions

What coin has the highest value?

What coin has the lowest value?

How do you know that is the names of the coins?

Can you show me the value of 1p,2p,5p and 10p using objects?

Which is the most efficient way of making the amount?

How many ways have you made the same amount?

Can you create your own shop? This could be a toy shop, pet shop or ice cream shop, you can decide.

Price up your products and invite your family to visit your shop.

Have they given you the right money?

Can you create a receipt?

An example to help...

My chosen animal is the gecko which
is 8 pence.

Gecko - 8p

Way 1

Way 2

Way 3

Way 4

Which is the most effective way?

Komodo Dragon

25p

Parrot

5p

Terrapin
