Correct the punctuation:

Once upon a time, there was a magical blue fairy who lived in a wonderous forest filled with other magical creatures? One day, there was a huge surprise. A dinosaur appeared. They all asked themselves, where did it come from! Unfortunately, the dinosaur was extremely clumsy so when he walked, he stomped and knocked down some of the ancient trees! Luckily, the magical blue fairy had a spell to shrink the dinosaur to the size of a dog? The dinosaur was much happier being this size and the magical creatures all lived happily ever after. The end?
